On behalf of the Board of Directors, it is a pleasure to dedicate the 97th Collegiate Dairy Products Evaluation Contest in honor of the Wisconsin Cheese Makers Association. The Wisconsin Cheese Makers Association, established in 1891, serves dairy processors and their industry supplier partners as a strong policy advocate, networking hub, and trusted source of education and information. WCMA proudly hosts the renowned U.S. and World Championship Cheese Contests, as well as the International Cheese Technology Expo and Cheese Industry Conference. For more than 125 years, WCMA has served as the voice of cheese and dairy manufacturers, processors, and marketers. Today, the WCMA organization represents more than 100 dairy processing companies and cooperatives operating across the United States and around the world, backed by more than 500 companies that supply equipment and services to the industry.

WCMA provides educational opportunities via its scholarship program, and industry-specific training at the Center for Dairy Research and via Madison College. With its long history of supporting dairy judging, education and collegiate activities, it was a natural fit for the CDPEC to partner with WCMA. In 2017 CDPEC switched from its long history of holding a Fall contest to a Spring event, opening the opportunity for a partnership with WCMA. In April 2017, WCMA hosted their first CDPEC event in association with their Wisconsin Cheese Industry Conference in Madison, WI. In April 2018, the contest was again hosted by WCMA in association with their International

Cheese Technical Expo in Milwaukee, WI. Both events were extremely successful, and we are very grateful to be back in Madison at our second Cheese Industry Conference with WCMA.

WCMA has encouraged and supported tremendous growth in the nation's dairy industry, and we are proud and grateful to have their generous support as hosts for our CDPEC events.

We would like to recognize John Umhoefer, Executive Director of WCMA, to accept our thanks for this partnership and continued strong support for the CDPEC and student participation in our event.

Awards and Recognitions

Joe Larson Merit Award The Joe Larson Merit Award, established in 1998, honors two undergraduate students that best uphold the ideals of the Contest with \$500 and a plaque. The awards are not based on technical placement in the Contest, but reward individuals for other key attributes necessary for industry leadership. These awards are made possible by a generous contribution from Joe Larson.

Genevieve Christen Award The *first place winner in the All Products graduate* student competition receives an award honoring the memory of Dr. Genevieve Christen. Dr. Christen was a devoted coach from the University of Tennessee and a strong supporter of the Contest. The winner receives \$250 and a plaque.

Shirley Seas Memorial Scholarship This scholarship is awarded annually to the university that places first in the All Products category. This scholarship is given in memory of Shirley W. Seas, who was a Professor of Dairy Science at South Dakota State University. Seas was actively involved in the dairy processing technology teaching program and management of the South Dakota State University dairy plant. Professor Seas was best known as an outstanding teacher and for his dedication as a Collegiate Contest coach. He coached 21 teams and was named as “Coach of the Year” five times. His teams placed first in Butter 17 of his 21 years as coach and also won the Contest seven times.

Dairy Recognition and Education Foundation The Dairy Recognition and Education Foundation (DREF) was founded to recognize outstanding students studying food and dairy science curricula. Qualified students majoring in dairy processing technology, agri-business or food science are granted scholarships through the Foundation. DREF has assisted more than 2,000 students since 1953. Special awards are presented annually by the DREF to the student participants who finish *first, second and third in the All Products* individual competitions of the Collegiate Dairy Products Evaluation Contest, and to the *coach of the winning All Products team*.

- The *first place All Products individual* winner receives the \$400 **Robert Rosenbaum Award**, in recognition of the person whose efforts were instrumental in forming DREF in 1953.

- The *second place All Products individual* winner receives the \$350 **Everett Byers Memorial Award**. The Byers Award was first bestowed in 1978, in memory of Everett Byers, who served for 12 years as a Contest judge in the Ice Cream and All Products categories.
- The *third place All Products individual* winner receives a \$300 award, which was established with funds donated by **Harold Roberts**, Professor Emeritus and Coach, Kansas State University.
- *First place individual winners in each of the six product categories* receive a \$200 award, which was established by the DREF Board in 1993.
- The *coach of the winning All Products team* is recognized as coach of the year, presented with the **Aurelia and George Weigold Coach's Award**, and receives \$150. This award was created in 1982, with funding to DREF by **Mr. and Mrs. George W. Weigold**. The award recognizes the devotion, hard work and interest by the college coaches.

The award consists of a keepsake award and \$200.

In addition, the second and third place individuals in each of the six product categories receive cash awards.

American Cheese Society provides a travel stipend to the *top All Products graduate student* to be invited as a technical judge in the American Cheese Society Judging and Competition. The student will be evaluating cheese, butter, and cultured dairy products entered in the competition with other experts. The student's coach will also be invited to judge.

Arthur Nesbitt sponsors lifetime memberships in the National Dairy Shrine for the *three top ranking individuals in All Products*. National Dairy Shrine lifetime members include dairy product specialists, scientists, journalists, marketers, dairymen and students from all dairy-related fields. National Dairy Shrine recognizes today's dairy leaders; honors great dairy leaders of the past; inspires dairy leaders of the future; and records the history of the dairy industry. The National Dairy Shrine supports the Collegiate Dairy Products Evaluation Contest by serving as the administrator of contest funds.

Collegiate Dairy Products Evaluation Contest Travel Stipends The CDPEC Board of Directors provides monetary travel stipends to each of the schools competing in the Collegiate Dairy Products Evaluation Contest. Travel stipends are based on the number of miles from the contest site.
