**Joe Larson Merit Award** The Joe Larson Merit Award, established in 1998, honors two undergraduate students that best uphold the ideals of the Contest with \$500 and a plaque. The awards are not based on technical placement in the Contest, but reward individuals for other key attributes necessary for industry leadership. These awards are made possible by a generous contribution from Joe Larson.

**Genevieve Christen Award** The *first place winner in the All Products graduate* student competition receives an award honoring the memory of Dr. Genevieve Christen. Dr. Christen was a devoted coach from the University of Tennessee and a strong supporter of the Contest. The winner receives \$250 and a plaque.

**Shirley Seas Memorial Scholarship** This scholarship is awarded annually to the university that places first in the All Products category. This scholarship is given in memory of Shirley W. Seas, who was a Professor of Dairy Science at South Dakota State University. Seas was actively involved in the dairy processing technology teaching program and management of the South Dakota State University dairy plant. Professor Seas was best known as an outstanding teacher and for his dedication as a Collegiate Contest coach. He coached 21 teams and was named as “Coach of the Year” five times. His teams placed first in Butter 17 of his 21 years as coach and also won the Contest seven times.

**Dairy Recognition and Education Foundation** The Dairy Recognition and Education Foundation (DREF) was founded to recognize outstanding students studying food and dairy science curricula. Qualified students majoring in dairy processing technology, agri-business or food science are granted scholarships through the Foundation. DREF has assisted more than 2,000 students since 1953. Special awards are presented annually by the DREF to the student participants who finish *first, second and third in the All Products* individual competitions of the Collegiate Dairy Products Evaluation Contest, and to the *coach of the winning All Products team*.

- The *first place All Products individual* winner receives the \$400 **Robert Rosenbaum Award**, in recognition of the person whose efforts were instrumental in forming DREF in 1953.
- The *second place All Products individual* winner receives the \$350 **Everett Byers Memorial Award**. The Byers Award was first bestowed in 1978, in memory of Everett Byers, who served for 12 years as a Contest judge in the Ice Cream and All Products categories.
- The *third place All Products individual* winner receives a \$300 award, which was established with funds donated by **Harold Roberts**, Professor Emeritus and Coach, Kansas State University.
- *First place individual winners in each of the six product categories* receive a \$200 award, which was established by the DREF Board in 1993.
- The *coach of the winning All Products team* is recognized as coach of the year, presented with the **Aurelia and George Weigold Coach's Award**, and receives \$150. This award was created in 1982, with funding to DREF by **Mr. and Mrs. George W. Weigold**. The award recognizes the devotion, hard work and interest by the college coaches.
